

Dear friends and supporters,

It is hard to believe that this month marks 10 years serving the Lord in Priceville, Alabama! This could not have been possible without your prayers and support! On behalf of the Project Rescue Board of Directors, Executive Committee, staff, volunteers, Jeanie, and me, we want to thank you with all of our hearts.

It is certain that many souls have lost their way in this storm called Covid-19! Regarding eternity, I believe the preventive measures for the pandemic will do more harm than the virus itself. The devil is **presently** devouring thousands upon thousands of sheep who are **now** separated from the flock! Also, with so many of our fellow Christians sick and/or in quarantine, we have been praying more fervently to keep the saved out of heaven than we are to keep the lost out of hell.

On this first day of the new year, let's all **stand still** and remember that Jesus gave His life's blood to cure a vicious virus called sin, which He "...shed for many for the remission of sins" (Matthew 26:27). Jesus also came to establish a spiritual hospital, His church "...Which He purchased with His own blood..." (Acts 20:28).

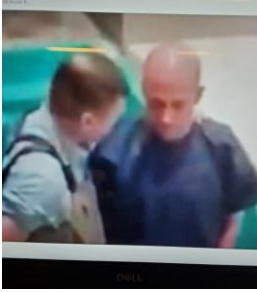

Therefore, in the coming days, let's labor together to seek and save the many lost souls who have wandered away in the storm!

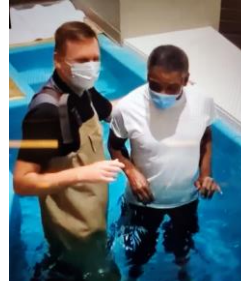

"Brethren, if anyone among you wanders from the truth, and someone turns him back, let him know that he who turns a sinner from the error of his way will save a soul from death and cover a multitude of sins." James 5:19,20
