**When it comes to a
1-year commitment,
many begin,
but few finish!**

**“...I give advice: It is to your
advantage not only to be doing
what you began and were desiring
to do a year ago; but now you also
must complete the doing of it”**
(2 Corinthians 8:10-11).

Serving in a mission field of so many impossibilities!

Believing in a God with whom all things are possible!

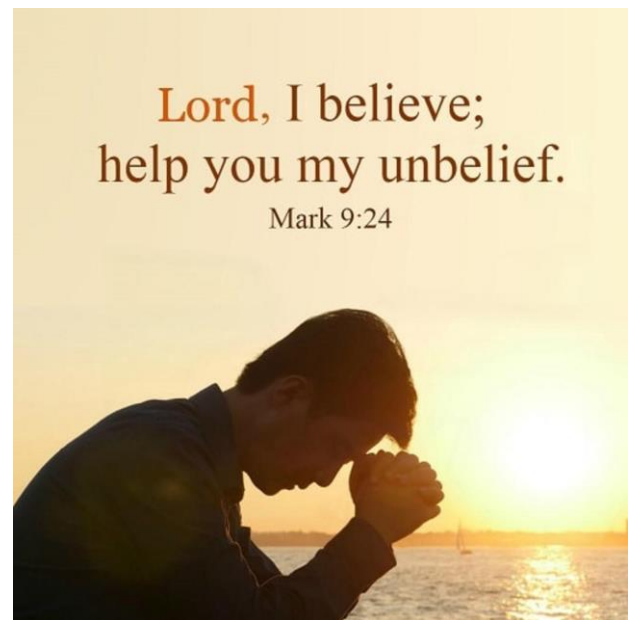

Almost every day we are confronted with the impossible, as parents plead with us to rescue their addicted sons.

As we try to comfort and encourage them, their response is often like the dad who brought his boy to Jesus, and "cried out and said with tears.....

"Lord, I believe; help my unbelief!" Mark 9:24

When the disciples were discouraged after failing to heal this dad's son, they asked Jesus, "Why could we not cast it out?" So Jesus said to them, "Because of your unbelief . . . However, this kind does not go out except by prayer and fasting" (Matthew 17:20,21).

Likewise, we were recently devastated, when we heard of the overdose and death of a brother who we could not convince to return to PR! In times like this we cry out, **Lord, we believe, help our unbelief!**

"Neither Could Anyone Tame Him"

Mark 5:4

Mark tells us about a man Jesus rescued from an impossible situation: "...Neither could anyone tame him...Always, night and day, he was in the mountains and in the tombs, crying out and cutting himself with stones (Mark 5:4,5).

For Years, No One Could Tame Them!

"For the law of the Spirit of life in Christ Jesus has set me free from the law of sin and death" Romans 8:2

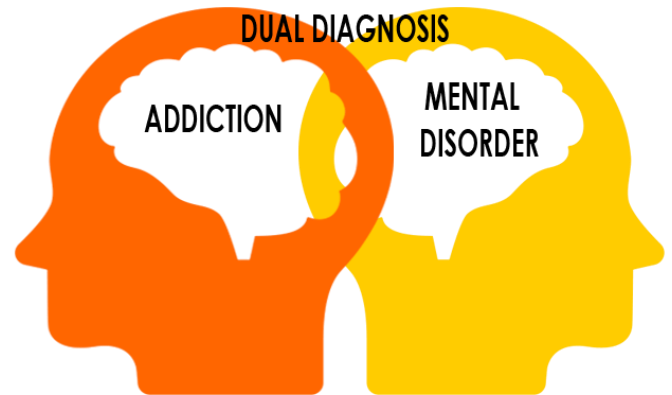

**"The things which are impossible with men are possible with God"
(Luke 18:27)**

In this day and age, it is not necessary to display the shocking statistics of mental illness. We have all been made aware of this troubling condition which has become so common in our society. Sadly, the accepted approach has become a prison sentence which is doubly damaging since they are already imprisoned in their own minds.

Since mental illness often goes hand-in-hand with addiction, we see it regularly in our application process. Some, we recognize immediately, are beyond our ability to help. With others, we try to address this “dual diagnosis” to the best of our ability.

Thankfully, many have been able to overcome with the strength that comes from God, the support of other Project Rescue members, and the right medications to address their particular needs. Some have even been able to leave medications behind and live normal lives. What a joy it is to see eyes that were once blank become bright again! We thank God for the many opportunities He offers for a new life in Him!

“Blessed *is* the man who endures temptation...”

James 1:12

The Neurospiritual (Scriptures & Science) strategies of the FoundFlock program are working!

Each minute, hour, day, week, and month without a relapse is a miracle for these souls!

The FoundFlock Relapse Prevention Program is for members with more severe addictions! We have to work harder at our recovery!

“...All things are lawful for me, but I will not be brought under the power of any.”1 Corinthians 6:12

“...The things sent from you, a sweet-smelling aroma, an acceptable sacrifice, well pleasing to God. And my God shall supply all your need according to His riches in glory by Christ Jesus.” Philippians 4:18,19
