

# Happy New Year From

**January 1, 2022**

*2021 was a challenge for all of us! Many mission works around the world have been harmed by the Covid19 shut-downs. Project Rescue did not shut-down. Two of our members acquired Covid. We set up a quarantine space, and continued to receive, house, feed, manage, and minister to a daily average of 20 program members. Below you will find our stats for 2021. We appreciate your prayers and support! Ronnie Crocker*
