

## **Why We Have A Target & Objective!**

### **Why We Accept Our Limitations!**

We have learned that we cannot help nor save everyone!

Therefore, from the beginning we chose and maintained a specific target or category of people.

Our primary target is a man who is a member of a church of Christ.

We only advertise within churches of Christ.

We do accept men who are not members of the church, but all members must attend the services of the church of Christ.

Our objective is Galatians 6:1 (restoring men overtaken by sins) primarily by drug and alcohol addiction.

We are a Bible based recovery program. We believe the Bible is the only answer and solution to the drug addiction scourge. "For the law of the Spirit of life in Christ Jesus has made me free from the law of sin and death." Romans 8:2

We rely on churches of Christ through out our brotherhood to follow-up when our program members leave or graduate the program.

Our objective is not to help the homeless. When we get a call from a man seeking food and shelter, we do not take him in. We point them to the Huntsville Rescue Mission.

We do not accept men who are pornography or sex addicts.

We do not accept men who are on a sex offender list.

We do not accept men with a history of violence.

We are not able to help veterans with PTSD.

As I already stated, it is important to choose a specific target of people you want to reach with the Gospel. And realize you cannot save everyone.
